

Product Profile: Performance Broadloom Backing Specification

Performance Broadloom is a 2 meter modular backing system that takes advantage of our patented GlasBac® technology. It features two layers of solid thermoplastic vinyl composite material, reinforced with fiberglass for optimum stability and long-term performance.

Features and Benefits

1. Impermeable Moisture Barrier
 - Prevents the absorption of spills by keeping all fluids and biological contaminants on the surface for easy clean up.
2. Non-Woven Primary Backing
 - The non-woven substrate provides greater dimensional stability and eliminates polypropylene threads along the edges.
3. Permanently Welded Seams
 - Creates a monolithic surface that is impervious to moisture.
4. Releasable Grid Adhesive System
 - The releaseable High Performance Broadloom Adhesive by Re:Source Technologies allows for easy repair, removal and replacement.
5. Dimensional Stability
 - Guaranteed to protect against delamination, stretching and shrinkage.
6. Recyclable through ReEntry: The Interface Carpet Reclamation Program
 - After reclamation, the nylon face and vinyl backing are separated. The backing is then recycled into the GlasBac RE backing system, which can then be reclaimed and recycled again.
7. Intersept®
 - A patented antimicrobial preservative, permanently incorporated into the backing precoat, effective at protecting carpet from a broad spectrum of mold, mildew, bacteria and odor-causing microorganisms.

8. Meets IAQ Testing Protocols
 - Meets the CRI Green Label and State of Washington Protocol for low VOCs, and the GSA Antimicrobial Certifications for antimicrobial effectiveness.

Product Specification

Reinforcement	Fiberglass
Backing Thickness	0.90" ± 0.010"
Weight	117.0 oz/yd ² ± 4.0oz/yd ²
Width	2 m
Antimicrobial	Intersept

Performance Specifications

Radiant Panel (ASTM E-648)	Class 1
Smoke Density (ASTM E-662)	≤450
Dimensional Stability (AACHEN Din 54318)	±0.10%

Installation

High Performance Broadloom Adhesive 2100

Warranty

Interface Standard 15 Year Product Warranty
